

Vision

We will empower people to grow into authentic disciples using their God-given talents. The first week of bootcamp will examine, nurture, and combine those talents into a concert experience. The four weeks on tour will test and stretch those skills through lived experiences. It won't be easy! While on tour, we will typically play 2 concerts per week and have time for training, mission work, & sightseeing.

On a mission...

Everyone loves music...
Everyone wants connection...
Everyone needs prayer...

There is a hunger and a desire in our world for an experience of the divine. You can be a part of bringing the love and power of God's presence to a world in need!

Our mission is to promote the beauty of the Catholic faith in a modern context using unique experiences. We strive to provide a living witness of the joy of a relationship with Christ and to invite others into the same relationship.

Tour

Modest food and accommodations will be provided to our group of missionaries while touring. In addition to the experiencing the culture of the communities we serve, we have planned off-days in Cleveland, OH, New York City, Washington, D.C., and northern Florida.

Training

Our one week boot camp is both spiritual and practical. Learn what it means to live in community, grow your own faith, and build an experience that invites others to fall more deeply in love with Jesus. This intense week is filled with prayer time, rehearsal, production skills, and insights from ministry leaders.
